Spring 2020

## BLCA EVENTS

While we have sadly had to cancel the Easter Egg hunt and Bark day this year, we are thrilled about how our community has come together during the Covid-19 crisis. From sharing seeds to sharing info, Boulevard Lane hasn't appeared this strong for a long while. I hope we are able to continue to support one another as we slowly start to venture back into the world.

With that in mind, please remember our events to come: the neighborhood garage sale and National Night Out. Dates will be announced in accordance with the government's advice.

In these uncertain times we can appreciate the freedom of the unknown, and the endless possibilities of community togetherness.

## OPEN BOARD POSITIONS

It has been fabulous seeing all the activity within the community this year! From bear hunts, to painted rock scavenger hunts, to drive by birthday parties, helpful advice, and community support, we are grateful to each of you.

Do you have a passion for seeing this involvement continue? We have 3 open positions on the BLCA board and would love to welcome you in! The time commitment is minimal and the opportunity to give back to the place we call home is fulfilling. We have a lot of fun and it is a wonderful way to get to know your neighbors.

Please email us at [info@boulevardlane.org](mailto:info@boulevardlane.org) for more information. We can't wait to welcome new board members!

## PARKING REMINDER

Can we be honest about parking in Boulevard Lane? The reality is that legal street parking is limited, particularly on cul-de-sacs.

If you live in Boulevard Lane you know the struggle! Please be kind and considerate of your neighbors when parking on the street and please abide by the laws. For example, parking is prohibited within 15 feet of a fire hydrant. Blocking access to fire hydrants is a potential risk to life and property. Let's keep our neighborhood safe and obey parking laws. Thank you!

For more information about parking, the Washington DOL Handbook (2020) can be reviewed on-line at [www.dol.wa.gov/driverslicense/docs/driverguide-en.pdf](http://www.dol.wa.gov/driverslicense/docs/driverguide-en.pdf)

Are you a new resident of Boulevard Lane? The Boulevard Lane Community Association (BLCA) is delighted to welcome you to the neighborhood. We hope you will enjoy and appreciate being part of this friendly, diverse community and we look forward to getting to know you!

Since autumn of 2019, in an effort to reach out and connect with new neighbors, the BLCA has been distributing Welcome Bags to new residents in our community. Each Welcome Bag contains a letter from the BLCA Board with information about the BLCA, a package of microwave popcorn, chocolate candies and a packet of seeds. Over two dozen bags have already been distributed. If you recently moved into the neighborhood and you haven't received a visit, please let us know, so we can welcome you in person.

Also, if you know of a new neighbor on your street, please contact the Board, so that we can deliver a welcome bag. Thus far, we are relying primarily on reported home sales from the internet to determine when residents have moved into Boulevard Lane. It's an imperfect system and we are sure to miss welcoming some of our neighbors without your help. We hope to reach out to all new residents to welcome them to the neighborhood and to help them get connected to the BLCA.

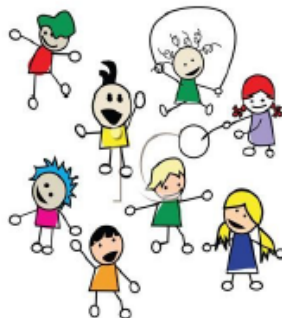

Please note: As you may have guessed, Welcome Bag deliveries have been suspended due to COVID-19 but will resume when it is safe.

## WATER MAIN REPLACEMENT UPDATE

Boulevard Lane will soon be receiving a significant upgrade as the Soos Creek Water & Sewer District will be replacing the aging and undersized water mains that are located throughout our neighborhood. According to the SCWSD website: The water mains were installed between 1965 and 1970 and are reaching the end of their useful life as well as being undersized based on current codes and regulations. We've also experienced numerous leaks/breaks in the area. Replacement of the water mains will reduce the number of leaks/breaks, maintenance costs, and increase reliability and fire flow in the neighborhood.

You may recall that the project team was in our neighborhood last summer completing surveys and other preliminary design activities. Construction was expected to begin in early 2020. According to SCWSD, the project is still moving forward, but it has been delayed due to the pandemic. It is impossible to know for sure when the work will commence, but they are hoping for a late June/early July start.

For more information about the project and current updates, please visit [www.sooscreek.com/projects/current-projects](http://www.sooscreek.com/projects/current-projects)
